Rental Guidelines

All patrons 14 and under who want to swim in the middle and deep end of the pool must pass a water competency swim test. Please see our website (biaquatics.org) for information about our water competency swim test.

If anyone 6 and under does not pass the test, they must have an adult in the water within arms reach at all times or they will not be permitted entry into the water. There is a 4 child/adult maximum, and all 4 children must be within arm's reach. Children under 8 must always have an adult present in the facility. Please remind your chaperones of this prior to your rental date!

Lifejackets are available for public use on the pool deck. Please have a chaperone assist non-swimmers with proper fit and securing straps. **Any children wearing a lifejacket must have an adult in the water within arms reach at all times, regardless of age.**

If you have rented one of our toys, these are for children 7 and up. Children without a swim license will be permitted to play on the toy in the deep end. They are required to wear a life jacket and always have an adult with them while playing on the toy.

Your group will be given a specific wristband when arriving at the Aquatic Center. This wristband signifies to the guard who is in your group.

To facilitate a smooth start to your rental, please either fax or email a list of the children 14 and under who will be attending prior to your rental date. Please include names and phone numbers so staff can have deep end swim bracelets ready upon arrival.

Email: recreation@biparks.org Fax: 206-842-7810

Commercial renters must have liability insurance certificate, tax ID#, and indemnification forms in prior to the rental date.

No alcohol or smoking is permitted on premise.

Cancellation Policy/Change of Date Policy:
