

Special Note:

All patrons 14 and under who want to swim in the middle & deep end of the pool must pass a swim test. The swim test consists of a 25-yard freestyle swim, with over arm recovery and rhythmic breathing. The patrons will then float on their back or tread water for 1 minute nonstop. The patron may not take a break at any time. Once the child passes the swim test, he/she will be given a swim license that needs to be presented to the front desk staff each time they come to swim. If the child does not pass the swim test, anyone 7-14 yrs old must stay in the shallow end of the pool.

If anyone 6 and under does not pass the test, they must have an adult in the water within arms reach at all times or they will not be permitted to enter the water. There is a maximum of 4 kids/adult. Children 6 and under must have an adult present in the facility at all times. Please remind your chaperones of this before entering the pool.

Life jackets are available for public use at the pool entrance. Please have chaperones assist non-swimmers with proper fit and securing of straps. **Any children wearing a lifejacket, must have an adult in the water within arms reach at all times.**

- ✓ Your party room (if you've rented the party room) time includes 45 minutes for eating and present opening and 15 minutes for clean up.
- ✓ If you sign up for games, which occur in the dive area of the pool, this includes the following:
 - **For Children 7 years old and up**
 - One staff member to organize games, activities and oversee the safety of the party.
 - Choice of one toy: The log roll or inner tubes (40-45 minutes)
 - Children without a swim license will be permitted to play on the toy in the deep end. They are required to wear a lifejacket and have an adult with them at all times while playing on the toy.
- ✓ When you arrive at the pool try to get your whole group to check in at the front desk together. They will be given wristbands at that time.
- ✓ Try to begin cleaning up at 45 minutes past the hour to help facilitate a smooth transition to the next group.
