# Reserving Your Water Time!

### Why do I have to reserve water time?

- Due to social distancing and maximum occupancy numbers, we need to have all our independent swimmers, water exercises, and water exercise class participants reserve a spot for each visit.
- Reminder: if you would like to have your annual, 6-month, or punch pass refunded to use for your reservations, please email <a href="mailto:mlemaster@biparks.org">mlemaster@biparks.org</a> or call 206-842-2302.
